NATIONAL EGG MARKET AT-A-GLANCE

In Chicago, prices were higher on all sizes. Prices were unchanged in most other locations. The market tone was fully steady in the Southeast, steady to occasionally fully steady in the Midwest, and mostly steady in the Northeast. Demand continued in a full range of light to good and was best where features were in progress or planned for next week. Supplies were generally adequate and remained confidently held. Breaking stock demand was light for sufficient offerings. Light type hens were short to barely adequate for reduced processing schedules.

NORTH ATLANTIC In Boston, prices were unchanged to 1 cent higher on large and unchanged on the balance of sizes. In Philadelphia and New England, prices were unchanged. The market tone was steady to instances fully steady entering the weekend. Demand into all outlets ranged light to moderate, slightly better where featured. Supplies were adequate and confidently held. Breaking stock offerings were sufficient for the fair demand. Spent hen availability was short to barely adequate for reduced processing schedules.

NEW YORK Prices were unchanged entering the weekend. Retail and distributive demand was moderate to occasionally good, better here promotional activity was either in progress or where planned for the upcoming week. Supplies were sufficient for current requirements.

MIDWEST Prices to producers in Iowa-Minnesota-Wisconsin were 2 cents higher for large and were unchanged for medium and small. Prices in other reported areas were unchanged. Trade sentiment remains steady to instances fully steady. Retail demand was somewhat mixed ranging light to fairly good, usually moderate and best in areas with planned feature activity. Food service movement was about moderate. Supplies were usually adequate for current needs. Central states breaking stock prices were unchanged. Demand was quiet with offerings adequate to available. Floor stocks adequate to fully adequate. Schedules varied for next week. Trade sentiment steady.

CHICAGO Prices for larger sizes increased 2 cents, mediums unchanged. The trade sentiment was steady to fully steady. Retail and food service demand mostly moderate and best where features are a factor. Supplies adequate and larger sizes more closely balanced.

SOUTHERN Prices were unchanged. The market tone was fully steady entering the weekend. Asking prices for next week were trending sharply higher on the larger sizes and slightly higher on mediums. Retail demand was light to moderate. Supplies were adequate and remained confidently held. Breaking stock demand was fair for sufficient supplies. Light type hens were short to barely adequate for lighter than normal processing schedules.

WEST COAST Prices unchanged. The market tone was firm with asking prices for next week 5 cents higher on jumbo, extra large, and large; 2 cents higher on medium throughout the region. Retailer demand mainly moderate. Offerings in good balance.
